

OBJECTIVE

To encourage teachers who hold a Nova Scotia teacher's certificate to pursue linguistic or pedagogical courses in French at a Canadian institution.

VALUE

The maximum annual amount per teacher in any given year (September 1 to August 31) is \$1500.

There are two ways in which the French Teacher Bursary may be granted.

1. In the case where participants live on campus for the duration of the course, the maximum amount of the bursary is \$300 per week (limited to expenses for tuition, lodging, and meals).
2. For off-campus students, the amount of the bursary will be equivalent to the tuition cost of the approved 3 credit course up to a maximum of \$750.

Please remember that not all eligible applicants will receive a bursary.

ELIGIBILITY CRITERIA

1. All candidates must be either Canadian citizens or permanent residents and must be residing in Nova Scotia.
2. All candidates must have a valid Nova Scotia teacher's certificate and be employed by or actively seeking employment with a Nova Scotian public school board.
3. Courses for which the bursary is granted must be in French and must be at least two weeks in duration.
4. Courses must either be pedagogical in nature or immersion courses designed to improve French fluency.
5. Courses must either be taken at Université Sainte-Anne or be at a master's level (in French) at a Canadian institution to be eligible for the bursary.
